

THE CHINESE UNIVERSITY OF HONG KONG
Department of Mathematics

MATH4900C - First term 2017-18

- Read Livingston “Knot Theory” to have an overview of the subject.
- Send me a message that includes the following information
 - (1) your preference of the specializing topics.
 - (2) Whether you would like to pair with any particular classmates for a group (each group consists of no more than 3 students)

Please send me the message no later than September 15.
