

**THE CHINESE UNIVERSITY OF HONG KONG**  
**Department of Mathematics**  
**MMAT5220 Complex Analysis and Its Applications 2019-20**  
**Instruction for submitting the Take-Home Final**

Please follow the following steps in submitting your solutions to the Take-Home Final Exam:

1. Make sure that you have enough time to prepare for the submission.
2. Write down your name and student ID on the first page of your work.
3. Write down our course code MMAT5220 on the first page of your work.
4. Make sure that your photos are readable.
5. Combine all the photos into a **single PDF file**.
6. Submit **via Blackboard** before 11:59pm on May 7, 2020.

Here are some suggested methods to combine JPEG files into a single PDF file:

- Adobe Acrobat (software in computer)
- [jpg2pdf.com](http://jpg2pdf.com) (JPEG to PDF online converter)
- Camscanner (free app in mobile phone)

Thank you for your attention.
