

Paul Erdős Award Ceremony

and

Public Lecture on Mathematics Education

2016 Paul Erdős Award Ceremony:

Recipient: Professor Kar-Ping Shum, Department of Mathematics, CUHK

Public Lecture:

Challenging Mathematics in and beyond Classroom

by Emeritus Professor Peter Taylor, University of Canberra

Professor Taylor was co-chair of International Commission on Mathematical Instruction Study 16, “Challenging Mathematics in and beyond Classroom”. He is also a member of the Executives of the World Federation of National Mathematics Competitions and the International Group for Mathematics Creativity and Giftedness. In this talk, he will give examples of how challenges can extend the classroom experience.

Date: Friday, 3 March 2017

Time: 4:30 p.m. – 6:00 p.m.

**Venue: Li Koon Chun Hall, 3/F Sino Building,
The Chinese University of Hong Kong**

~All are welcome and no registration is required~
